This is to address the allowance of LPFM.

KLOVE, a National FM Translator service which I am served by for multiple hours per day, would be affected by the allowance of LPFM.

KLOVE serves me locally.

KLOVE serves the local community in a great and needed way, and would be sorely missed if not available to my, and other communities.

Please DO NOT allow the replacement of FM Translator Service by LPFM.

Sincerely,

Robert D. Moore, M.D.
